Ayur Ayush Expo 24 is India's business event that focuses on Ayurveda, Naturopathy, Unani, Siddha and Homeopathy, Herbal, Natural, Fitness & wellness products and its services on the whole.

This Event will have a special services section so that the segment gets desired attention from customers especially B2B Visitors.

The platform has been designed to connect Manufacturers with Business community & buyers directly. This event envisages in gathering Ayurveda, Ayush, Natural & Wellness Services Industry to a much sought after markets in India - Mumbai.

Ayur Ayush Expo 24 will be the biggest platform for the Ayurveda Ayush Products & Wellness Services. It is aimed at laying a concrete foundation and setting up goals to increase the market share for these sectors.

This event will connect the best of natural health and wellness experts, academic institutions, and thought leaders from across the world. In addition to the businesses and academicians in the space, this is a golden opportunity for budding scholars, researchers, end-users, and trade bodies to gain a better and deeper understanding of the traditional system of medicine.

In this era of digital proliferation we get information so fragmented, this event will create a unique identity as '**one stop shop**' for all Ayurveda, Ayush, Natural & Wellness and service industry & trade bodies to come and assemble in one place.

The event will comprise conferences, products & services on display and will also serve as an integrated trade fair for the B2B part of the businesses. This is an endeavor by JB Exhibitions India Pvt Ltd, Mumbai.

We at JB Exhibitions India Pvt Ltd, are delighted to announce that there will be separate advertorial and news paper supplement in the leading dailies in the city of Mumbai, apart from Digital Media to garner attention. Please express your interest to ensure your products are featured in it.....!!
